---

### About Make-A-Wish® Ohio, Kentucky & Indiana

Since 1983, Make-A-Wish® Ohio, Kentucky and Indiana has granted more than 13,000 wishes for local kids. You can help make this happen when you donate a car using the [Wheels For Wishes](#) Car Donation program, benefiting [Make-A-Wish® Ohio, Kentucky and Indiana](#).

### About Wheels For Wishes Car Donation

Wheels For Wishes offers an easy way to recycle or donate unwanted cars, trucks, motorcycles, SUVs, RVs, or even boats. With your car donation, Make-A-Wish® is able to grant the wishes of children with life-threatening medical conditions and bring hope, strength, and joy back into the life of a child. Plus, you receive the maximum possible charitable tax deduction for your vehicle donation.

Wheels For Wishes will pick up or tow away old, broken down vehicles, running or not, and either recycle or auction them. 100% of net proceeds from the vehicle benefit Make-A-Wish® Ohio, Kentucky and Indiana and help kids in your own community.
