COVENTRY TOWNSHIP PARKS & RECREATION OPPORTUNITIES

Parks and Recreation all around us!

From the Ohio and Erie Towpath Trail, Summit County Metro Parks, numerous ball fields, playgrounds and pavilions, to our largest source of recreation, the Portage Lakes State Park—our community is uniquely surrounded by year round possibilities to get outside and play!

This guide has been put together as a reference to the parks and recreation sites that are closest to the heart of our Township. We have listed parks within a 3 mile radius of the Clock Tower along with information on amenities and the entities that manage them. While we have our own Township parks, we see that there are recreational opportunities in close-by communities that also serve our residents and provide an important outlet while expanding our sense of community throughout the Portage Lakes area.

We hope this guide helps you find your next outdoor adventure!
